

DRIPOOL LTD

INTRODUCE THE NEXT GENERATION OF AUTOMATIC POOL COVER RAIN WATER REMOVAL

HERMAN MK3

Utilising over 25 years of experience Dripool have now developed the new Herman MK3. Incorporating the following improvements:

- 360° Stainless Steel Filtration System prevents any detritus from entering the pump housing.
- Improved 12v Electronic pump negates the need for a float to operate and includes a non - return valve, eliminating air-locking
- Slate filled Fiberglass base ensures longevity and prevents accidental damage to the Cover.

As a Valued Customer we are in a position to offer a New MK3 Herman for
£459.94 + VAT

or offer an exchange allowance on your
original Herman of £100 reducing the cost of a New Herman to
£359.94 + VAT.

Both options include 15m of hose and P & P

Should you wish to place an order for a new Herman MK3
